Game Info

Circle or highlight your pick for each game. Any matchup that is not chosen will display ?

Take a photo of your picks

Visit the web address listed on the other side for a copy of the answer sheet

In the event of a tie, total points from the last game on the sheet will be used to break it.

The closest to the total points without going over will be the winner of a tie.

If all players go over in a tiebreaker, the lowest total points will break the tie.

Limit of two sheets per player.
